**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I already pay too much for cell phone and internet. I support broadband network competition and companies which believe in net neutrality.

AT&T does not provide decent service in the Bay Area. Comcast is too expensive.

Competition is American. Dont be un-American. Promote American businesses.
